

## Quickfit® Precision Joints

### Stock up and save.

#### 30% off list on all Quickfit® Interchangeable Jointed Glassware!

All Quickfit® glass items are exclusively manufactured from Pyrex® borosilicate glass. The Quickfit® ranges comprises of around 1000 individual products that can be combined to construct an extensive range of assemblies.

- Low coefficient of expansion for use over a wide temperature range
- Highly resistant to chemical attack from most acids, alkalis and organic solvents
- 2-stage grinding process for an exceptional seal and reduced risk of joint seizure
- Excellent surface finish to prevent leaking and ensure gas and vacuum tightness
- Rounded rim profile for extra joint strength and reduced chipping
- Due to the extensive range of Quickfit glassware the item(s) you require may be indented
