

## Esco Airstream E Class II Microbiological Safety Cabinet, 1.2m, Type A2

**Free adjustable height stand,  
UV light and 2 power sockets  
(valued at \$1,750).**

Providing operator, product, and environment protection, the AC2-4E8 complies to the EN12469 standard. The manual sash automatically activates internal lighting and airflow when set to the marked working height.

- Interlocked UV light with timer - no accidental burns
- 53.5dB(A) - low noise level for a more comfortable working environment
- 3-year warranty
- Available in 0.6, 0.9, 1.2, 1.5 and 1.8m widths
- Ergonomic sloping front combined with tempered glass side panels allows entry of more natural light
- ULPA downflow and exhaust filters with 99.999% efficiency, 10X better than HEPA filter (99.99%) improves safety and delivers ISO Class 3 air cleanliness
- Sentinel Gold microprocessor controller with digital display shows cabinet status
- Multi-piece stainless steel work surface is easy to access and clean
- Night Setback Mode reduces energy consumption by a further 60%

**20% Off &  
Free Extras!**
