

Grant Water Baths

Quality, Reliability & Affordability

A cost-effective range of multi-purpose water baths combining Grant's world-renowned reliability, quality and consistent performance for a wide range of laboratory applications.

- Temperature range ambient +5°C to 99°C operation
- Unique Set and Forget® technology – fast heat-up, accurate temperature control
- Simple, intuitive controls – quick and easy to set temperature
- Suitable for use with heat transfer beads (excluding SAP2 & SAP2S)
- Adjustable over temperature alarm – protect samples from over heating
- Practical front panel lock – disables front panel controls preventing unintentional changes
