

Esco Airstream E Class II Cabinet, 1.2m Type A2

Free adjustable height stand, UV light and 2 power sockets (valued at \$1,750).

Providing operator, product and environment protection, the manual sash automatically activates internal lighting and airflow when set to the marked working height.

- Safety ensured: Interlocked UV light with timer
- Glass side panels allowing entry of more “natural” light
- ULPA Filters: 10 x better than HEPA filters
- 3-year warranty
- Also available in 0.6, 0.9, 1.5 and 1.8m widths
- Ergonomic sloping front combined with tempered glass side panels allows entry of more natural light
- ULPA downflow and exhaust filters with 99.999% efficiency, 10X better than HEPA filter (99.99%) improves safety and delivers ISO Class 3 air cleanliness
- Sentinel Gold microprocessor controller with digital display shows cabinet status
- Multi-piece stainless steel work surface is easy to access and clean
- Night Setback Mode reduces energy consumption by a further 60%
