

Adventurer® Analytical and Precision Balances have so much to offer!

There is a model to suit every application!

Striking the ideal balance between inventive features and functional, uncomplicated weighing capabilities, the OHAUS Adventurer incorporates all the applications necessary for routine weighing and measurement activities.

Features such as specialised weighing modes, GLP/GMP compliance capabilities, multiple connectivity options, and AutoCal™ provide versatility and flexibility for a variety of applications.

Durable construction, a colour touchscreen, large weighing surfaces, and space-saving draftshield design, the Adventurer is the most complete balance in its class and ideal for any laboratory, education and industrial environment.

Ohaus Adventurer Balances:

- 10.9cm diagonal full-colour touch screen
- Automatic calibration
- 9 built-in applications
- ≤ 1.5-2 sec stabilisation time
- Die-cast metal base
- 3-year warranty
