

# Microlab 600 Range

## Rethink Manual Pipetting

### Semi-Automate your Process

Dilute • Dispense • Pipette • Aliquot • Titrate • Serial Dispense

With unmatched versatility, the Microlab 600 is designed to increase the throughput and repeatability of any manual pipetting application.

Have confidence in your diluting and dispensing processes with 99%+ accuracy and a highly inert fluid path for even the most sensitive techniques.

Code	Description Syringe Dispensers	Price	Special
