150L Vertical Autoclave With 3 Baskets

Was \$36,035

Now \$34,233

Code: PRIOEV150-BASE

Includes **Free** export crate, wandering probe and
condensate collection bottle
(worth \$3,010)

- Chamber: 500mm Ø x 720mm with three stainless steel mesh baskets
- Quickseal single-action door fitted with thermal and pressure locks to prevent opening at load temperature above 80 °C and pressures above 0.2 bar
- TACTROL 3 microprocessor control system with simple and fully variable setting of process time, temperature and with graphic indication of cycle status
- Operation up to 140C - 2.5 Bar
- Large cylindrical chamber within a compact frame
- Forced air cooling as standard helping to reduce cycle times
- Automatic timed free steaming as standard for improved air removal and sterilising performance
- Steam generated within the chamber (electrically heated model)
- Complete with thermocouple entry and test ports
- Delayed start and media warming function as standard for ready to pour media at the start of the day
- Low water level sensor
- Epoxy coated panels and frame members are treated with an anti-bacterial agent which is effective against all bacteria and fungi including MRSA
- Pressure vessel carries a 10-year warranty and is insurance approved
