

## Mars 1200 Biological Safety Cabinet

**Energy-saving, Ergonomic & Elegant**

**Only \$18,995**

Usually \$27,217

Code: LABO700094

### Includes:

Glass side windows, electrical outlets, adjustable light, 316 SS table tops, UV light, height-adjustable support stand

Provides user, product and environmental protection, whilst offering excellent energy savings and low CO2 emissions.

With a comfortable, quiet and elegant design, your operators will notice the difference!

- Sloped high front window with motorised sash and adjustable fluorescent light for operator comfort
- Easily accessible front controller for visibility, operation and servicing
- Unique laminator technology offers controlled, uniform air flow and up to 85% improved energy savings vs alternative cabinet designs
- Efficient fan design delivers low energy requirements and low noise levels (~47 dB(A))
- Sectional stainless steel work surface for easy cleaning and disinfection
