

## Upgrade Your PCR Workflow With Axygen PCR Equipment And Consumables

### Compact Benchtop Microtube Shaker

**Only \$3,399**

Usually \$3,999

Code AXYG1-4011

- With Heating and Cooling functions!
- 9 interchangeable blocks to suit your needs – compatible with tubes and microwell plates
- Quick and easy block exchange with magnet adhesion technology - No tools required!
- Flexible and easy to program
- 1-year warranty

**Demo unit available  
on request**

### Axyspin Mini Plate Spinner Centrifuge

**Only \$975**

Usually \$1,446

Code AXYGPlatespinner-230AU

**Specifically designed for quick and easy centrifugation of samples in  
PCR plates or microplates**

- Capacity for two standard plates
- Top Loading Design
- Light weight, Compact Design – saves bench space
- Starts and Stops in seconds
- Spins at 2500rpm

Ref. Code:  
AXYG-PCR

VALID UNTIL:  
15 Dec 2023

Prices and discounts may be subject to change and only available while stocks last. Not valid with any other special offer or discounts and cannot be applied in retrospect. All prices in local currency excluding GST and local delivery charges. Products advertised may be for research use only (RUO) or in vitro diagnostic use (IVD). Please refer to manufacturer's product insert for further information. For product use outside of that specified on the manufacturer's labelling and/or instructions for use, Bio-Strategy does not take responsibility.

## Top Sellers

Our high-quality PCR consumables provide consistent and reproducible results, every time.

**Take advantage of great pricing on our top sellers now!**

### Why Axygen?

**High-quality materials:** Our consumables are made from high-quality materials to ensure consistent performance and reproducibility. This means you can trust your results, every time.

**Superior sealing:** Our strip tubes offer superior sealing, preventing evaporation and contamination, and ensuring reliable results. This means you can have peace of mind that your samples are protected.

**Wide compatibility:** Our consumables are compatible with most PCR instruments, making them a versatile and reliable choice for your PCR experiments.

### Heating Blocks For Microtube Shaker

**Only \$350** Usually \$412
