Priorclave

Model B150-BASE
150L Top Loading Autoclave

**In Stock
1 Unit Only!**

Only $28,800

Was $36,035

Code: PRIOEV150-BASE
Includes:
3 baskets &
Export Crate

Complying with AS/NZS standards, the unit has grade 316L stainless steel chamber and is inherently safe with thermal and pressure interlocks.

- Single handed lever action door mechanism
- 5 program memory
- Water cooled drain protection as standard
- Quickseal single-action door fitted with thermal and pressure locks to prevent opening at load temperature above 80 °C and pressures above 0.2 bar
- TACTROL 3 microprocessor control system with simple and fully variable setting of process time, temperature and with graphic indication of cycle status
- Operation up to 140C - 2.5 Bar
- Large 150L cylindrical chamber within a compact frame
- Forced air cooling as standard helping to reduce cycle times
- Automatic timed free steaming as standard for improved air removal and sterilising performance
- Steam generated within the chamber (electrically heated model)
- Complete with thermocouple entry and test ports
- Delayed start and media warming function as standard for ready to pour media at the start of the day
- Low water level sensor
- Epoxy coated panels and frame members are treated with an anti-bacterial agent which is effective against all bacteria and fungi including MRSA
- Pressure vessel carries a 10-year warranty and is insurance approved

Hurry won't last long!
