

# Save Big On Precision Pipettors!

**From \$304**

*see price list page 2*

Start the year off on the right foot with a new set of Axygen pipettors for your laboratory.  
With two ranges to choose from – Axypet or Axypet Pro.

Axygen gives you the flexibility to choose the pipettor that best fits your needs.

## **Exceptional Accuracy:**

Axypet and Axypet Pro Pipettors, offer precise volume control, ensuring accurate and reproducible pipetting results every time.

## **Comfort and Ergonomics:**

Designed with user comfort in mind, these pipettors feature ergonomic designs that reduce hand fatigue during prolonged pipetting sessions, enhancing your overall pipetting experience.

## **Versatility and Flexibility:**

Whether you're working with liquids of varying viscosities or different volumes, Axygen Pipettors provide the versatility and flexibility you need to tackle a wide range of pipetting tasks with ease.
