glass side windows, electrical outlets,
adjustable light, 316 SS table tops,
UV light, height-adjustable support stand

The Mars Biological Safety Cabinet provides excellent user comfort, with product and environmental protection.

- Sloped high front window with motorised sash & adjustable fluorescent light
- Easily accessible front controller for visibility, operation & servicing
- Efficient fan design & unique laminator technology deliver low energy requirements & low noise levels (<47dba)
- Sectional worksurface of 316 Stainless steel for easy cleaning & disinfection
- Dimmable Fluorescent lighting
- Quietest cabinets in market
- No need for armrests with "V" shaped air intake grill
- Best energy consumption in normal operating mode
- Best downflow tolerance (10%) versus 20% for competing cabinets due to more blowers per cabinet and laminator screen
- Lowest height profile
- New adjustable height stand - 3 different heights: 750-800mm, 825-875mm or 900-950mm
- 5-year warranty
