Are you interested in upgrading your manual pipetting process to a semi-automated solution?

Do you have issues with inconsistent results?

The Hamilton ML600s are the perfect solution for semi-automating basic lab processes.

Compact, easy to use & budget friendly.

The units can accurately dispense volumes from 50mL down to 1uL.

The ML615DIL & ML625DIL are the two most popular diluter variations offered by Bio-Strategy and each unit includes **2 complimentary syringes**.

**If you have an old ML500 or 600,
