Vortex Mixer

Only \$459

Usually \$540

Code: GRANPV-1

Suitable in all the fields of laboratory research in biotechnology, microbiology and medicine.

Centrifuge/ Vortex Mixer

Only \$2,905

Usually \$3,418

Code: GRANCVP-2

The all-in-one that allows for the simultaneous sample preparation of multiple samples at one time.

Microcentrifuge/vortex mixer Combi-spin™

Only \$867

Usually \$1,020

Code: GRANPCV-2400

Specially designed for life science research. For use in biochemical, microbiological & industrial biotechnology labs.

Only \$1,904

Usually \$2,240

Code: GRANPSU-101

Orbital shaker multi-platform

Microprocessor controlled shaking platform providing smooth and quiet horizontal orbital motion for mixing in bottles, flasks and beakers.
Order platform separately

Prices and discounts may be subject to change and only available while stocks last. Not valid with any other special offer or discounts and cannot be applied in retrospect. All prices in local currency excluding GST and local delivery charges. Products advertised may be for research use only (RUO) or in vitro diagnostic use (IVD). Please refer to manufacturer's product insert for further information. For product use outside of that specified on the manufacturer's labelling and/or instructions for use, Bio-Strategy does not take responsibility.
