

ADVENTURER™ SEMI-MICRO

Only \$5,995

Usually \$8,635

Code: OHAU30852306

Intuitive Balances Designed for Routine Weighing

Striking the ideal balance between inventive features and functional, uncomplicated weighing capabilities, the OHAUS Adventurer is the most complete balance in its class.

The AX225D 102/220g x 0.01/0.1mg offers:

- Reliable accuracy & precision with MonoBloc technology
- 3-level user management for GMP/GLP compliance
- Takes up less bench space, with innovative collapsible draft shields
- Multiple connectivity options
- 3-year warranty

Colour touchscreen, with an easy-to-use icon-based user interface

Prices and discounts may be subject to change and only available while stocks last. Not valid with any other special offer or discounts and cannot be applied in retrospect. All prices in local currency excluding GST and local delivery charges. Products advertised may be for research use only (RUO) or in vitro diagnostic use (IVD). Please refer to manufacturer's product insert for further information. For product use outside of that specified on the manufacturer's labelling and/or instructions for use, Bio-Strategy does not take responsibility.
