Sarstedt weigh boats are a dependable choice for everyday lab weighing, mixing, and sample handling tasks.

Designed with a smooth anti-static surface and flexible yet stable construction, they make transferring powders and liquids clean and easy.

Available in a range of sizes and shapes, these disposable boats are ideal for general laboratory use—from prep work to scale-based measurements.

Affordable, practical, and ready when you are, Sarstedt weigh boats are a staple for any lab bench.

Ref. Code: SARS-Boat
