Axygen's bulk-packed blue and yellow pipette tips offer the perfect balance of quality and convenience for high-throughput labs.

Designed for smooth, consistent aspiration and compatible with most standard pipettes, these tips deliver reliable performance across everyday applications.

The yellow (200 µL) and blue (1000 µL) tips come in bulk formats to reduce plastic waste, cut costs, and keep your workflow moving.

Whether you're working in research, diagnostics, or teaching, Axygen bulk tips are a smart, economical choice for routine pipetting.
