

# Pipette Trade In & Trade Up

Attention all lab professionals!

Turn your used, broken pipettes into a brand new accurate, comfortable and reliable Gilson pipette at a discounted price.

## 5 Easy Steps! Here is How...

Step 1: Select Your Old Pipettes for Trade-in

Any non-Gilson brand, condition or model will be accepted for the trade-in offer.

Step 2: Place Your Order with DKSH

Order your new Gilson pipette by contacting our customer care at [customerservicenz@dksh.com](mailto:customerservicenz@dksh.com).

Step 3: Complete the Decontamination Form

Contact our customer care for the decontamination form.

Step 4: Arrange the Return of Your Old Pipettes to DKSH

Send your old pipettes to DKSH and unlock **15% OFF** on your order.

Step 5: Receive Your New Gilson Pipettes

Your new Gilson pipette will be promptly delivered to your address.

Pipetman G

Pipetman L

Pipetman M

## Featured Pipettes

### PIPETMAN G

*Air-Displacement Pipettes*

PIPETMAN® G offers one of the lowest pipetting forces commercially available. With high quality piston assembly system including superior piston grease, PIPETMAN G enables hours of comfortable pipetting.

### PIPETMAN L

*Air-Displacement Pipettes*

Designed for performance and comfort, PIPETMAN® L offers a comprehensive range of models, adapted to all your needs.

### PIPETMAN M

*Electronic Pipettes*

PIPETMAN® M pipettes combines the simplicity of a mechanical pipette with the consistency of electronic liquid handling. Its lightweight, ergonomic design requires only very short pipetting strokes, making it comfortable to use.
