

HAPPY EASTER HUNTING!

Find our
3D Cell Culture
Products!

How to play

- 1 Take a screenshot of this image
- 2 Spot and circle 8 products (excluding those on the turquoise background)
- 3 Submit your annotated screenshot via our [Survey Monkey](#) form

Receive a
cardholder
when we've
verified your
screenshot

Corning® Matrigel® Matrix is a reconstituted basement membrane preparation that is extracted from the Engelbreth-Holm-Swarm (EHS) mouse sarcoma, a tumor rich in extracellular matrix proteins.

[Learn more](#)

Transwell® Permeable Supports also known as cell culture inserts, are an essential tool for the study of both anchorage-dependent and independent cell lines.

[Learn more](#)

Corning® CoolCell® Containers in combination with a -80°C freezer, will provide alcohol-free freezing at the rate of -1°C/minute that is ideal for cryopreservation of most cells and cell lines.

Terms and Conditions: This promotion is only valid to the following countries: Australia, New Zealand, Republic of Korea, India, Singapore, Thailand, Vietnam, Malaysia, Indonesia and Philippines. Online entries submitted and received by Corning before **30 Apr 2022** will qualify for this promotion. Gifts will be awarded on a first come first serve basis, until stock lasts. Please allow at least 4-6 weeks for delivery of the free gift. No purchase is required to participate in this activity. By participating in this promotion, you warrant that you are not prohibited by employment, contract, or law from accepting a gift from Corning. Corning reserves the right to amend any of the terms described above without notice. Other restrictions may apply.

Warranty/Disclaimer: Unless otherwise specified, all products are for research use or general laboratory use only.* Not intended for use in diagnostic or therapeutic procedures. Not for use in humans. These products are not intended to mitigate the presence of microorganisms on surfaces or in the environment, where such organisms can be deleterious to humans or the environment. Corning Life Sciences makes no claims regarding the performance of these products for clinical or diagnostic applications. *For a listing of US medical devices, regulatory classifications or specific information on claims, visit www.corning.com/resources.
