

## EASTER DELIVERIES NOTICE

9<sup>th</sup> March 2018

Dear Valued Customer,

As the Easter Holiday period is fast approaching, we would like to advise you of the cut off dates for despatching orders and operating dates over this period.

To ensure that your orders are delivered prior to the Easter Statutory Holidays - the following deadlines dates will apply:

### Non-Dangerous Goods

Date	Region	Comments
<b>Monday 26<sup>th</sup> March</b>	South Island	Last date for despatching <b>temperature controlled</b> shipments
<b>Tuesday 27<sup>th</sup> March</b>	South Island	Last date for despatching <b>non-temperature controlled</b> shipments
<b>Wednesday 28<sup>th</sup> March</b>	North Island incl. Auckland	Last date for despatching <b>both temperature &amp; non-temperature controlled</b> shipments

### Dangerous Goods

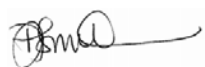

Due to damage to both roads and rail lines in the South Island caused by Cyclone Gita, delivery times to the South Island for Dangerous Goods is significantly longer than normal. To ensure that your order is delivered prior to the Easter Break – we would highly recommend placing orders prior to the cut off dates below:

Date	Region
<b>Friday 16<sup>th</sup> March</b>	South Island
<b>Tuesday 27<sup>th</sup> March</b>	North Island excl. Auckland
<b>Wednesday 28<sup>th</sup> March - before 12pm</b>	Auckland

The Bio-Strategy warehouse and offices will be closed from Friday 30<sup>th</sup> March until Monday 2<sup>nd</sup> April inclusive. Normal operating hours will commence on Tuesday 3<sup>rd</sup> April.

Please don't hesitate to contact us if you have any queries regarding the Easter Delivery Cut-Off Dates.

Kind Regards

Della Smith
