

Priorclave Autoclaves

Affordable Sterilising Solutions

Choose from front loading, top loading steam or electrically heated autoclaves.

Priorclave Autoclaves with either cylindrical or rectangular chambers offer versatility and cost efficiency. Constructed to British Standards, the unit chambers are constructed from grade 316L stainless steel and are inherently safe with thermal interlocks and pressure interlocks. There will be a Priorclave to handle your sterilisation requirements.

- Capacities: 40 to 850L
- Safety interlocked door mechanism
- USB port, fan forced cooling and timed free-steaming as standard
- 10-year door and chamber warranty
- Many options and accessories to select from
