

Esco Airstream E 1.2 Class II Microbiological Safety Cabinet

Protection you can count on: operator, product and environment protection!

Esco offers an excellent range of Class II Cabinets, the Airstream E range continues this tradition.

The Esco Airstream E Class II Microbiological Safety Cabinets are available in widths from 0.6 metres to 1.8 metres. Tempered glass side panels allow entry of natural light and the tempered glass angled manual sash provides an uninhibited view of the work zone. The 1.2m Airstream E unit offered includes 2xpower outlets, fluorescent and UV lighting as standard. A full width armrest ensures correct posture with unimpeded air inflow to the cabinet.

- Quiet: only 53.5dB(A) and energy efficient: only 160W
- ULPA downflow and exhaust filters with 99.999% efficiency, 10X better than HEPA filter (99.99%) improves safety and delivers ISO Class 3 air cleanliness
- Built-in UV lamp with timer safety interlocked to prevent UV exposure
- Sentinel Gold microprocessor controller with digital display shows cabinet status
- Multi-piece stainless-steel work surface is easy to access and clean
- Night Setback Mode reduces energy consumption by a further 60%
