

OHAUS Explorer: Semi-Micro, Analytical, Precision and High Capacity Balances

The OHAUS Explorer® Series has risen to the next level of ingenuity—expanding on its modern features & design to offer unmatched functionality in a line of high-performance balances unlike any other on the market.

- Intelligent Performance: optimised linearity and repeatability specifications and enhanced vibration filtering for better balance stability. All models with AutoCal™ automatic internal calibration. 3 × 3 filtering setup ensures fast and stable weighing results.
- Intuitive Operation—A large colour touch-screen display, icon-driven application software that features 14 unique application modes, and a 3 level adjustable angle display
- Ingenious Design—The base and display separate for maximum flexibility in any work area.
- Practical Features—four user-programmable touch free sensors to minimize cross contamination and wear and tear normally associated with repeatedly touching the balance.
