

# Introducing the NEW Pall Laboratory Manifold

VALID UNTIL:  
30 September 2020

Ref. Code:  
PALL-FREE

## FREE pack of Microfunnel filter funnels with each Pall Laboratory Manifold sold!

Pall's unique microbiology vacuum manifold allows users to optimize testing without sacrificing cleanliness. With interchangeable components and coupling devices, the manifold takes direction from the user.

- Lightweight and separates into sub-components for easy autoclaving
- Adapters available for use with a wide range of filter funnels
- Increase from 3 to 6 place configuration through modular design
