

Miele PG8583 Washer/Disinfector

Reduce the risk of injury through manual washing and improve safety in your wash area!

Package includes A102 upper basket with 2 x AK12 inserts, A150 lower module basket with 2 x A301/5 modules (3 x 6 = 18 nozzles/module), waterproofing kit, detergent and neutraliser.

This underbench /standalone model combines a powerful pump with integrated heating elements for safe washing cycles up to 93°C. The EcoDry passive drying automatically opens the door at the end of the run when temperature has dropped below 70°C allowing the load to dry and cool down faster.

- 15 programs including new "Mini" program for lightly soiled glassware
- Configured for washing wide neck and narrow neck glassware
- Dispensing pumps for liquid detergent and liquid neutraliser
- Compact: 600mm x 600mm x 850mm (820mm with lid removed)
- Stainless steel interior/exterior for durability and cleanliness
- ADP model including pump for AD water and waterproofing kit
- Many other options and accessories to select from
- Spray arm and spray pressure monitoring
