

Priorclave Compact H60 Front Loading Electrically Heated Vacuum Autoclave

Compact autoclave incorporating pre-cycle vacuum and vacuum cooling with cylindrical chamber and two shelves. Constructed to British standards, the unit has a grade 316L stainless steel chamber and is inherently safe with thermal and pressure interlocks. This benchtop front loading unit can run off a standard 240V 50Hz 15 amp circuit.

- Media warming facility
- Single handed lever action door mechanism
- USB port, fan forced cooling and timed free-steaming
- 10 year door and chamber warranty
- Elements in chamber for ease of servicing
